Dear Ms. Kusler,

On behalf of the entire Livermore Valley Joint Unified School District Board of Trustees, Board President Bueno and I would like to further extend our appreciation to you for your generosity to our students and District community during this most challenging time. On September 1st, our Board formally recognized you and Fertile GroundWorks along with other generous community partners.

Your generous donation of fresh vegetables has positively impacted our community. Our families especially appreciated your support in providing fresh and nutritious meals for our youth in Livermore, especially during these challenging times. We very much appreciate your support!

While we are unable to thank you in person and with an audience, because of the Shelter-in-Place Order currently in effect, we are still very grateful for your generous contribution. Please accept this letter of gratitude in place of an in-person recognition.

Coretta Scott King said, "The greatness of a community is most accurately measured by the compassionate action of its members." We are so grateful for your support of our students, teachers, and community.

Warm Regards,

Kelly Bowers, Ed.D.
Superintendent of Schools
